

Bingo evening

23-03-2021

This image was probably familiar for the many participants of our bingo evening on March the 23rd. The last round was namely very exciting! There were many cool prizes won during this sociable evening. To all winners: We congratulate you again and we hope you enjoy your prizes.

Tapp is looking for active members!

We as the board are looking eagerly for members who are willing to commit themselves for the introduction committee. This committee organises the introduction camp for the new freshmen every year. During the introduction camp the students get to know each other and the study association. Would you like to organise activities for the new students during this introduction camp? Then join the introduction committee to work together with other students to make the introduction camp unforgettable!

What are the merits of becoming an active member?

- You get to know your fellow students in a different way.
- You expand your CV.
- You get access to exclusive evenings & weekends!
- You get the chance to go to the introduction week, again!

Do you have any questions or are you already sold? You can apply now by sending an email with motivation and your CV to intern@svtapp.nl

The deadline to apply is on the 16th of April.

Applying board '21-'22!

You probably have seen it pass by; SV Tapp is looking for a new board! Would you like to organise various activities with different committees for the study association? Think of study-related company visits and sociable (online) get togethers. This is your chance to do a board year at study association Technisch Appèl!

Within the board you have 5 different functions: Chairman, secretary, treasurer, intern coordinator and external coordinator. What these functions entail exactly, and who currently occupy them, you can find it on our website.

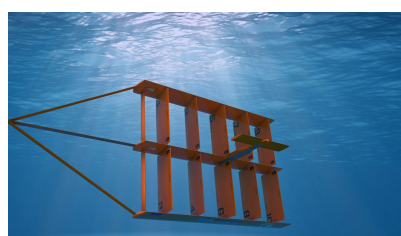

Applying can be done now by sending your CV with a short motivation to secretaris@svtapp.nl. When your mail has been received, you will be invited for an (online) introductory meeting with the according board member.

The deadline to apply is on the 4th of June.

Company visit SeaCurrent

18-03-2021

On the 18th of March 2021 the second company visit happened. This time we got to look at SeaCurrent Maarten Berkhout held a presentation about his work at SeaCurrent. He told us about the Tidalkite where SeaCurrent is working on. There were 53 attending students, and our teacher Myriam Jansen enjoyed it very much. We want to thank everyone for making this possible. Would you like to know more about SeaCurrent? Then go to www.seacurrent.com

Workshop 3D printing

In collaboration with 4People, a workshop about 3D printing has been organised for the members of SV Tapp on

Wednesday the 31st of March. Christiaan Veening held an interesting workshop about a relatively new technique. We have heard many positive messages about this 3D workshop, and we are looking forward to more!

WhatsTapp

This is Ties,

drawer/constructor of agricultural machinery at KUHN-Geldrop BV. A function that still teaches him a lot of new things, even after his bachelor's and master's in mechanical engineering and after a good year of practical experience. Because the real work is just something more different than the theory of your study, he realised. How he ended up with Evoke and how his workdays look like now, you can read in his success story!
