Wheel of Tapp

26-01-2021

The monthly event of a drink with Tapp has taken place on Tuesday the 26th. This time, it was different than usual, and we made the most out of the lockdown with the Wheel of Tapp: An evening where two great game hosts turned the Wheel of Fortune and assigned tasks to everyone present to carry out! Housemates and pets were also involved in this game. Even the neighbours of Jos have contributed to this sociable evening, by giving him a pack of sugar. It was a successful evening altogether and we are definitely looking forward to our next (online) activity!

Excursion Dewulff

29-01-201

On Friday the 29th of January our first company visit of 2021 has taken place. This time, Dewulf has presented about their activities and products. The company visit attracted a large audience: A whopping 82 students have paid attention to what the presenter Willem Siderius had to tell.

Are you interested in this presentation? The recordings can be viewed in our blackboard course.

We hope to see you all again during the next company visit.

Looking for active members!

Also, we as the board are looking eagerly for members who are willing to commit themselves for the study association. This can be done in different ways. We have for example the introduction committee, who organise the introduction camp for the first year students. The first year students get to know each other and the study association during this introduction camp. Would you like to organise all kinds of activities for the new students during the introduction camp? Then join the introduction committee to make the introduction camp an unforgettable time!

What are the merits of becoming an active member?

- You get to know your fellow students in a different way than usual
- You expand your CV
- You receive access to exclusive evening and weekends!
- You get the chance to be part of and relive the introduction week!

Do you have any questions or are you already sold? Send an email to intern@svtapp.nl
