

Happy New Year!

01-01-2021

The sixth board of SV Tapp wishes a happy new year to all her members! 2020 was a difficult year for most people. Last week we got the sad news that Bryan Slomp, our treasurer, was diagnosed with the Covid-19 virus. We wish him a speedy recovery and hope he gets well soon! Despite everything we'll keep our heads up high and do everything we can to make 2021 an amazing year!

Spending the holiday together (from a distance)

21-12-2020 t/m 04-01-2021

To survive this weird holiday, Bryan Slomp decided we needed to do something for our members. So he organized an Crazy88. During this Crazy88 he challenged you to think creatively to complete crazy assignments in order to score points.

Every day competitors were challenged with a different assignment to score points in the WhatsApp. All submissions were sent in the WhatsApp which made for some good laughs.

For the first three places there were some cool prizes!

These people made it into the top three:

3. Guido with 25 points.
2. Jos with 30 points.
1. Anton with 32 points.

Congratulations to the winners! Thanks everyone for the entries, we certainly enjoyed it!

Tapp is looking for active members!

Excursion Jansen Marine & Offshore

10-12-2020

SV Tapp's first English excursion was hosted on December 10th. Robin Jansen from Jansen Marine & Offshore Trading BV told us all about the work he does and his interesting projects on offshore rigs. We were allowed to make a short film inside the company in which Robin presented one of his projects in action. The excursion was recorded and is watchable on our BB course.

Active members pub quiz

10-12-2020

After a long wait we finally had our first active members activity. Wouter and Alieke organized this event and hosted a pub quiz for all committees to compete in. The battle for first place was fierce with only 1 point difference between number 1 and 2, the activity committee took first place. Congratulations on this victory! Hopefully you'll join us again on the next active member activity!
