

## Paintballing with SV Tapp!

29-04-2021

Everyone could let it all out by shooting a couple rounds of some tense paintball! It was finally time for some physical activity. Each Tapper that was present loved it. For some of them, it was the first time that they saw each other again. We as the association are very happy that we were able to do this for our members.

## Company visit Viro

15-04-2021

On Thursday the 15<sup>th</sup> of April we have organised another cool company visit, this time with VIRO. Klaas Krol and Nick Rutgers talked about the activity of VIRO in the different types of branches of engineering that are out

there. Next to that they informed us about the possibilities of developing and activities abroad for all employees. Did you also find it interesting and would you like to know more? Then go to [www.viro-group.com](http://www.viro-group.com)

## SV Tapp is looking for a new board!

You might have seen it pass by: SV Tapp is looking for a new board! Would you like to work together with multiple associations on organising different activities for the members of SV Tapp? You can think of study related company visitor or sociable (online) receptions. This is your chance to be a board member for the study association Technisch Appèl!

Within the board you have 5 different functions: Chairman, secretary, treasurer, internal and external coordinator. If you want to find out more what these functions entail or which one would fit you best, you can find all the information on our website. You can also find who currently hold these functions if you have any questions for them.

You can apply now by sending over your CV and a short motivation to [secretaris@svtapp.nl](mailto:secretaris@svtapp.nl). When your mail has been received you will be invited for an (online) introductory meeting with the respective board member.

## Tapp journal!

Have you seen it already? Our one and only Peter is making a Tapp journal nowadays! This hilarious cinematic version of the newsletter can now be seen every 2 weeks after the newsletter has been sent out. It can be seen on our YouTube channel.

Have you not seen the first Tapp journal yet? Then select the title 'Tapp journal'. Also, don't forget to like and subscribe.

### Lustrum anniversary week

25-05-2021 up to and including 28-05-2021

This past year the study association passed its first 5 years of existence. This means that it is time for a lustrum anniversary! Unfortunately, all the wild plans are cancelled due to corona. This year we still want to pay some attention to the lustrum by means of an online version! This online party will take place from May 25 to May 28.

### Social media

In addition to the monthly newsletter, you can also easily stay informed of new activities via our social media! If you are not following us yet, you can click on the icon of the social platform on which you would like to follow us at the bottom of this newsletter.

### WhatsApp

Are you looking for a way to easily get in touch with your fellow students? Then Tapp has a WhatsApp group for you! This group is available to all members of the study association and we can answer all your questions about the study program. Events organized by the study association will also be promoted. Do you want to join this too? Then click on the WhatsApp logo, via this link you can join the group!
