

## Introduction week 2021

In week 36, Tapp Organized an introduction for all the first-year students, which was a big success.

On Monday and Tuesday, there was a bike ride through Groningen, followed by a scavenger hunt on campus. While the other students had great fun with canoe polo.

On Friday all students participated very fanatically in a six camp, after which we closed off the week with a drink at indoor beach Binn'npret.

The drinks were a great success, with a lot of new members, Dutch, but also Internationals!

It was a nice way to meet all of you and to get to know you better, until the next one!
