

Newsletter February 2022

Board '22-'23 wanted

That's what you learn with a board year at S.V. tapp. The great thing is that anyone can learn this! Within the board you have 5 different functions; chairman,

secretary, treasurer, internal coordinator and external

What does it take to maintain and grow a study association?

coordinator. To find out which position suits you best, you can read on the site what these positions entail and who is currently performing them. You can apply from now on by sending your resume and short motivation to secretaris@svtapp.nl before 24 May.

Once your email has been received, you will be invited for an introductory meeting. I hope to see you then!

Postwagen

Tolbert is a long way from Groningen, the committee has also resolved this well. Two members, Bas and Guido, volunteered to cycle there and back for an hour to accompany members who also wanted to cycle. Great guys!

we not only played miniature golf, but also curled! All this while enjoying a few beers and portions of bitterballen.

We look forward to the next activity! **Game night**

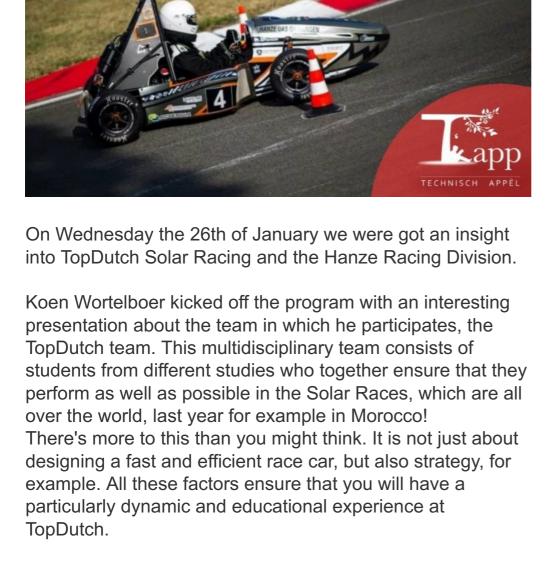

laughter.

The next game night we will play RaceRoom Racing Experience, this is a free racing game you can download on steam. Do you want to finish at the top during the next game night? Then download it and practice a few games so that you can beat other members during the game night.

The next game night will take place March 1st, keep an eye on our socials for when registrations open. TopDutch and HARD

among other things, what the car must meet and what you as an engineer have to take into account. The fact is that you have to go through several tests before you actually compete for the title; best Formula Student race We also got to see a number of projects, such as the design of the suspension and drivetrain.

knowledge you gain during your studies and implementing it in practice, together with enthusiastic other students. And of

Bas Kranenburg told us more about what you can do as an

engineer at the Hanze Racing Division. He showed us,

Both teams are excellent options for expanding the

course you can learn a lot from this too.

Old board diner

Sunday 30 January we invited all the old board members to have a bite to eat and a beer at Napoli. We laughed a lot together and received many tips from the old board members so that we can make the study association even better for our members. After dinner we went into town to finish with a beer at Het Concerthuis!
