

Drinks

Last month there were 2 drinks. March 10 we went to De Stokerij with our members, with the theme: code red! Everyone had something with the color red on. Later in the month, together with S.V. Ilythia we played a pub quiz, each tapper was divided into teams together with another tapper and 2 ladies from Ilythia. There were 6 rounds with different themes where the teams worked together very well.

Well done to the activity committee!

Volleybal

March 24, our members competed against each other in a volleyball tournament at Binnenpret. There were 6 teams and there were 5 rounds of play. After the volleyball, some of our members went into town together.

YER

Our first workshop of the year took place on March 25th. YER gave us a presentation with an interactive

workshop; Know your qualities.

Based on a number of assignments that we were allowed to do together, we got a better idea of where our strengths lie, but also less strong sides.

All in all it was a very pleasant and educational workshop!

SGMM

Last Tuesday was our semi-annual general members meeting. Many members were present and there were many discussions. We would like to thank all members for their input during the meeting! We will be working on the points discussed in the near future.
