

Foreign trip

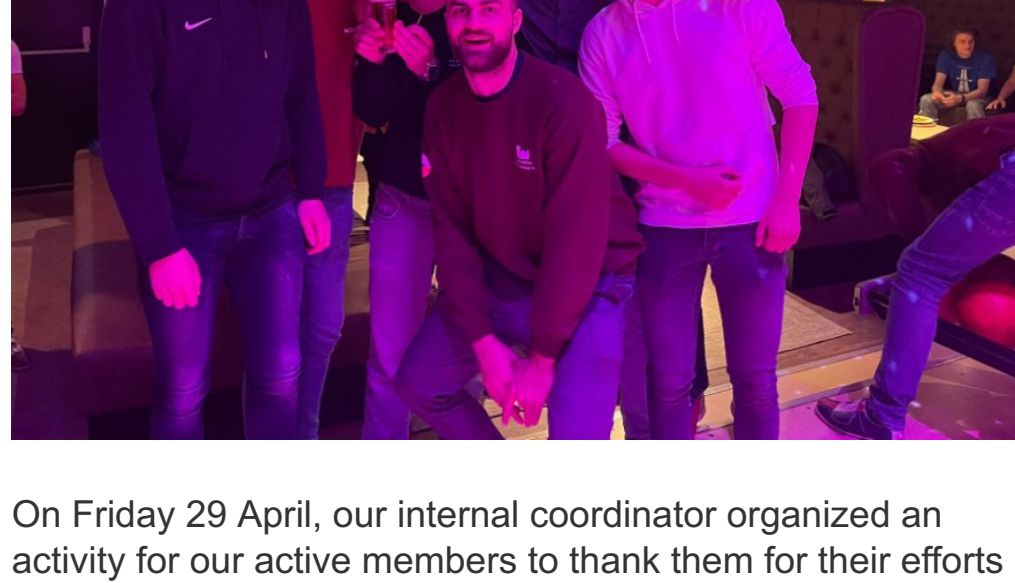

Last week we had a wonderful week in Munich. We drove with 27 members in vans and visited several interesting companies. For example, we visited Audi, Erdinger Weißbräu and the Deutsches Museum. Of course there was also the opportunity to drink a beer together at the Frühlingsfest! We as the board have enjoyed this week immensely and hope our members have too.

Excursion Scania

The Mechanical Engineering Committee organized a company visit to the production plant of Scania - a well-known lorry company on the 22nd April. This was our first event since the committee was created last year. We were guided through the production plant in Zwolle, which is the biggest lorry making plant of Scania. They have a daily production of over 200 lorries of different sizes and configurations. We were greeted with coffee and tea when we arrived at the plant, following by a detailed explanation of what they do as a company and the routine of the plant itself. Then, we were asked to hop on a specially designed towed carriages where we were shown around the entire production line. Step by step from the engine, chassis, axles, the lorries are slowly being built up along the slowly moving conveyor system with skilled workers assembling the required parts onto the lorries. We had very great response from both the internationals and Dutch students that attended the visit, and they are all amazed by the sheer scale of the machinery and assembly line. In conclusion, the first event organized by the ME committee is a great success with record breaking international students showing interests. A massive thank you to Scania Zwolle for giving us this opportunity and an early time slot and those who helped organized the transportation to the plant!

Active members activity

On Friday 29 April, our internal coordinator organized an activity for our active members to thank them for their efforts over the past year. We went bowling at Karding. There were a number of free drinks and snacks, it was a lot of fun and we would like to see our active members again at the active members weekend, about which more information will be released soon.

Gala

Wednesday the 25th of May is the day! Together with SV Hestia, LeBaso, SV Dices and SV Ilythia, SV Tapp is organizing a gala. It promises to be an unforgettable evening with lots of fun, lots of drinks and lots of music. Tonight (Wednesday 11 May) the pre-gala drink will take place in De Negende Cirkel, where you can already get to know some people who are coming to the gala, be there and maybe you'll even find a date.

Dies

May 26th is the day, the birthday of SV Tapp! We will celebrate this with games, barbecue and unlimited beer for only €12.50!

Sign up now at <https://www.svtapp.nl/evenementen/dies-feest>

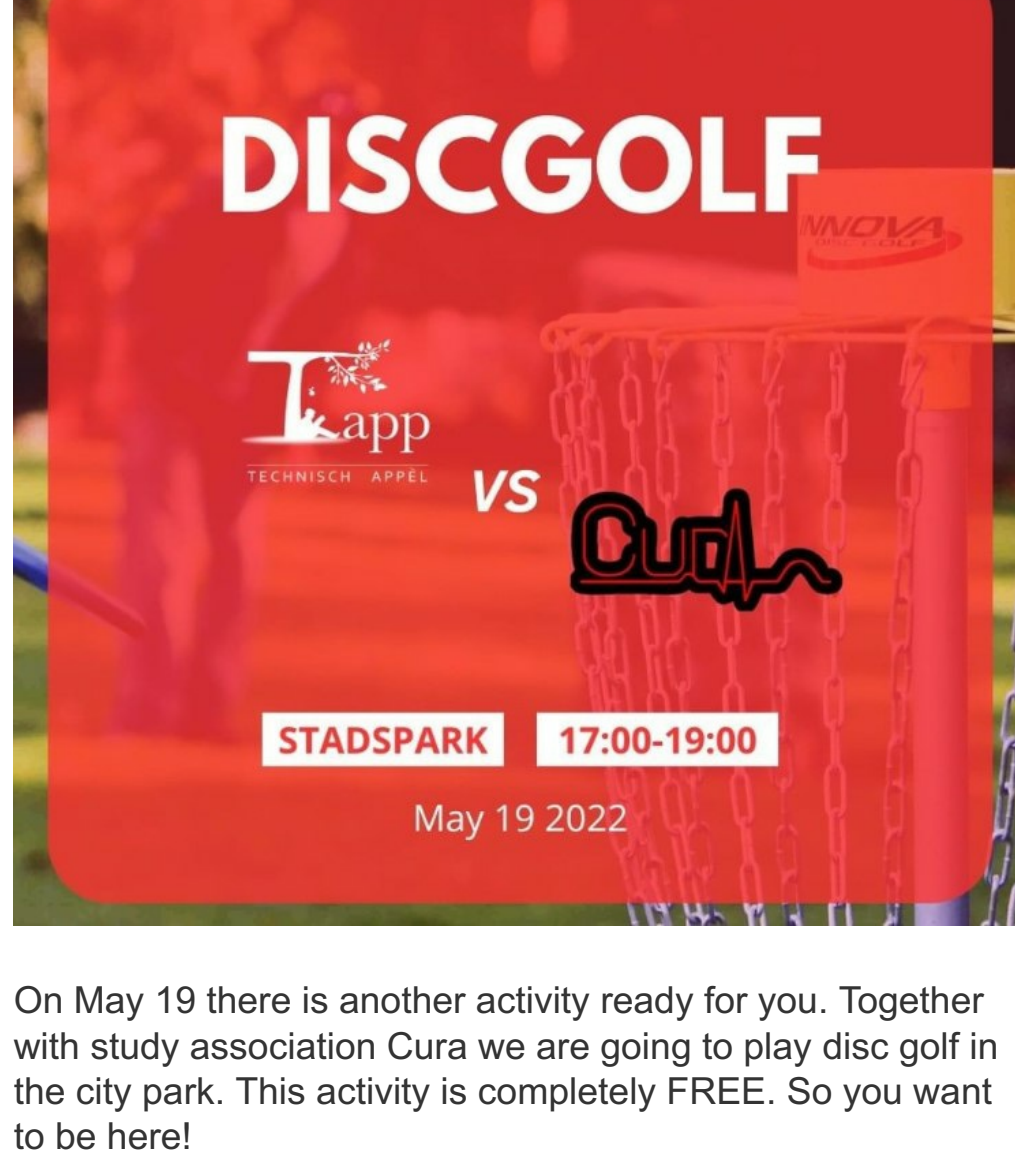

Until then!

BBQ boat with YER

Wednesday the first of June we have another fun activity for you. Our partner YER invited us to join them on the BBQ boat. You can register via the site. Until then!

Discgolf

On May 19 there is another activity ready for you. Together with study association Cura we are going to play disc golf in the city park. This activity is completely FREE. So you want to be here!

The activity starts at 5:00 PM and ends at 7:00 PM. We gather at Concorsostraat 1. There are 30 spots available, so register quickly!

Monthly puzzle

$$\int_{-1}^1 \frac{4x}{(1+x^2)^2} dx$$

This month's puzzle is entirely in the theme of our study. If your math skills are up to date, no further explanation is needed with this puzzle. If so, you can approach Chris Ultzen :)

Tapp is looking for active members!

Like previous years, tapp needs active member to be able to organize activities. How can you help you may ask? Well for example there is the introduction committee. The introduction committee organizes all activities for the introduction week this year.

Some of the advantages that come with becoming an active member:

- You get to know your fellow students in a different way.
- You expand your CV.
- You get access to exclusive evenings & weekends!
- You get the chance to go to the introduction week, again!

Do you have any questions or are you completely sold? Send an email to intern@svtapp.nl

Social media

In addition to the monthly newsletter, you can also easily stay informed of new activities via our social media! If you are not following us yet, you can click on the icon of the social platform on which you would like to follow us at the bottom of this newsletter.

WhatsApp

Are you looking for a way to easily get in touch with your fellow students? Then Tapp has a WhatsApp group for you! This group is available to all members of the study association and we can answer all your questions about the study program. Events organized by the study association will also be promoted. Do you want to join this too? Then click on the WhatsApp logo, via this link you can join the group!
