Dear Tappers,

Herewith the first newsletter of this calendar year! We hope you had happy holidays and vacation!

Company visit Niestern Sander

On Friday, December 16, 2022, we visited Niestern Sander in Farmsum.

Niestern Sander is a company specializing in new construction and repair of ships. We got a look at the newbuilding yard where they were busy building a ship of 150 meters. This was for many of us very impressive to see.

We started the morning with a presentation about the work that Niestern Sander has done in the past period, here they told us about recently completed projects. Furthermore, we were allowed to take a look on a ship and in the workshop. It was very impressive to see this way of working.
